Honorable ~~Judge~~ **MITCHELL R. ELPERS** Clerk in District Court; 11/14/19

I Manuel Phillip Rios, do swear under oath, that the following statements are true about The Curry County Adult Detention Center in Clovis, New Mexico.

The living conditions ~~are~~ extremely terrible and hazardous in Delta Pod (known as the Old man's Pod).

1) Heater hasn't worked in weeks, making it very cold for us.

2) Possible asbestos in air vents making us cough

3) Black mold caused by leaking toilets in Cells 101, 102, 103, 104, 105, and 106.

4) We haven't been able to have visits for over a month.

The Conditions in Delta Pod are causing severe Headaches, Fatigue, Stomach aches, Nausea, Shortness of breath, Pain in Lungs, Loss of Appetite, Dizziness, Strokes & Seizures, Heart-Attacks.

Various inmates have been sent to the hospital for Strokes & Heart attacks.

I am asking for relief from your Courts to investigate ~~one~~ and all allegations about The Curry County Adult Detention Center in Clovis, New Mexico.

Maybe send an Investigation News Network Team to investigate.

I am acting as my own attorney maybe seeking some sort of relief and to open doors for others in this pod and in this whole Jail. Especially for medical expenses if any:

I Manuel Phillip Rios am 50 years old and cannot afford an attorney and hoping this can be filed in your court free of charge.

Please look into these allegations and matters at hand for Inmates Rights Act."

Respectfully Submitted.
